Hobbies/ Notes About Self

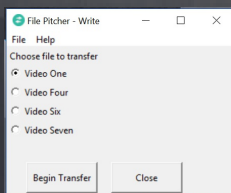

International backpacking - You'll notice there are a few gaps in my employment, I backpacked through SE Asia in 2014, and worked on a farm in New Zealand before living in Australia for a year.

Property Development - The past 5 years I have been subdividing and developing 40 acres in my hometown of Winthrop, WA.

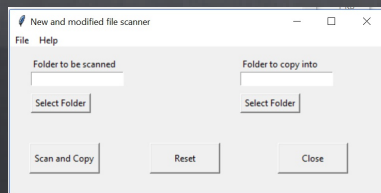

On the weekends I'm likely either biking, on the river kayaking, or Nordic Skiing.
